**ERRATA**

Staff ("Staff") of the Illinois Commerce Commission ("Commission"), by and through its undersigned counsel, and pursuant to 83 Il. Adm. Code Part 200.670(d) hereby submits this Errata to ICC Staff Exhibit 1.0, the Direct Testimony of Greg Rockrohr, filed on March 29, 2013. The purpose of this Errata is to address a computational error and subsequent required changes in Mr. Rockrohr's testimony, due to the inconsistency in scale of certain maps provided by the Moultrie County Property Owners. Staff is providing this Errata upon discovery of the error, prior to Intervener and ATXI rebuttal deadlines, in order to provide parties with an opportunity to respond to this in their rebuttal testimony, given the expedited nature of this proceeding. Clean copies of the revised documents identified below are being filed contemporaneously with this Errata and contain the following corrections:

1. In ICC Staff Exhibit 1.0, page 46, in Table 7, under the column titled "Moultrie CPO Potential Route A" in the row designated "Estimated Length (miles)" the number "64.4" has been changed to "68.9."

2. In ICC Staff Exhibit 1.0, page 46, line 965, the words “either” and “or” have been removed.
3. In ICC Staff Exhibit 1.0, page 46, line 966, the phrase “the route that MoultrieCPO suggests” has been removed, and the phrase “similar costs” has been replaced with “the lowest cost.”
4. In ICC Staff Exhibit 1.0, page 46, line 967, the entire line, which includes the phrase “Though my review indicates MoultrieCPO’s preferred route would likely be” has been deleted.
5. In ICC Staff Exhibit 1.0, page 46, line 968, the word “shorter” and the phrase “I believe that” have been removed, and the language “appears to be longer than” has been added.
6. In ICC Staff Exhibit 1.0, page 46, line 969, the phrase “ATXI’s alternate route” has been added and the word “would” has been removed. Additionally, the phrase “It also appears that MoultrieCPO’s preferred route” has been added.
7. In ICC Staff Exhibit 1.0, page 46, line 970, the word “would” has been added as well as the phrase “than ATXI’s alternate route.
8. In ICC Staff Exhibit 1.0, page 46, lines 970-972, the statement “A decision between these two routes may need to be based upon something other than cost.” has been removed.

The accompanying Staff Exhibit 1.0R, the Revised Direct Testimony of Greg Rockrohr, contains each of the above revisions and has been filed on e-Docket without attachments, as the attachments to the original Staff Exhibit 1.0 were not revised.

Respectfully submitted,

---
